

## **Why You Should Consider A Career As A Canvasser with SCCA**

Canvassing provides a rewarding job with integrity that has advancement, skill development, and growth potential, as well as utilizes social and communication skills to create change.

### **Educate the Public on Progressive Issues and Local Campaigns!**

- Protect open spaces from development & support better cities
- Safeguard our air and drinking water from pollution
- Fight against climate change

### **We Provide Employee Training!**

- One-on-one skill training
- Advanced training with experienced canvassers and activists

### **Great Working Environment!**

- Effort to recruit and build a diverse staff
- Part time schedule
- \$15 - \$18 per hour
- Team that shares your values for social justice and democratic action
- Teams of creative individuals with all levels of experience
- Supportive and fun work environment with great co-workers
- Work for a more just and sustainable world

### **Opportunities for Career Growth!**

- Learn skills fundamental to all political work
- Gain knowledge about how non-profits function
- Build skills in fundraising and philanthropy
- Communication skills and confidence in your abilities
